#### **GENERAL INFORMATION**

- A bachelor's degree is valuable for entry-level positions, but an advanced degree is usually necessary to attain competitive, upper-level positions.
- An art degree can and should be tailored to areas of specialization.
- Save artwork for a strong portfolio too much is better than too little.
- Be prepared to relocate to the larger markets of metropolitan areas where more opportunities exist.
- Join art related professional and student organizations.
- Volunteer with fundraising efforts for the arts.
- Gain valuable experience through volunteering, internships, part-time and summer jobs, and apprenticeships.
- Conduct informational interviews with professionals in areas of interest to learn more about opportunities and strategies for these areas.
- Learn to network.
- Be prepared to begin career in entry-level positions.
- Pair an art degree with other career interests to increase opportunities and provide supplemental income.
- Develop skills in business management, computers, marketing, and other related areas to increase marketability.
- A career in the arts takes dedication, patience, flexibility, talent, and some luck.
